## WALTER DANIELS THIRD TO EXPIRE

Elevator Accident of Tuesday Morning at the Deere Wagon Company Claims Another Victim.

### NO HOPE FOR HIS RECOVERY

Relatives Are Located in Southern Illinois and Brother Arrives Here—Inquest is Opened.

The elevator accident of yesterday morning at the Deere Wagon company plant claimed its third victim at 8:10 last evening, when Walter Daniels succumbed to his injuries in the city hospital. Daniels was terribly crushed and no hope had been entertained for his recovery, his passing being merely a question of hours.

Caesar Rodine and Albert White, now the only survivors, are holding their own, but condition of both is regarded as critical. Both have broken legs and suffered serious internal injuries, and their chances of recovery are thought to be slight.

Relatives of Daniels were located in Mount Erie, southern Illinois, yesterday, and a brother arrived here last night. Rodine, who came here from Kansas City, is said to have a wife and children there and efforts are being made to locate them.

Inquest into the deaths of the three men was begun this morning under direction of Coroner R. C. J. Meyer in the Barnard undertaking rooms. After identification of the bodies there the investigators went to the scene of the accident at the wagon company, where F. H. Bein, master mechanic, and a number of employees gave their testimony. Gist of this was that the eleva-

tor was in running condition on the morning of the accident, and that trips had been made previous to the one which resulted fatally to the three men. The lift had been inspected only two days before and had been found to be in the best of condition.

It was the opinion of Mr. Bein that the car, after being started, had stopped momentarily, and then, immediately on resumption of the downward course the cable had been caught and broken. Two teeth, one on each side, where the safety device was intended to catch in case of cable breakage, had been knocked loose cleanly and the car thrown first to one side and then to the other.

**White Tells Story.**  
Investigation was resumed at 1:30 this afternoon at the city hospital. Testimony of White, the least injured of the survivors, was taken, and then Dr. A. H. Arp was called. Upon completion of the taking of testimony there return will be made to the Barnard undertaking establishment.

Remains of Doriel Mason, aged elevator conductor, will be buried in Riverside cemetery tomorrow afternoon, after services at 2:30 in the home, 737 Eighteenth avenue, Rev. R. S. Haney officiating.

## MOLINE PLOW CO. PAYS A DIVIDEND

Holders of Common Stock Will Receive Two Per Cent—New Tractor Plant Is Heavy Expense.

### CHANGE MADE IN DIRECTORS

G. E. Hutton, O. H. Seifert and R. W. Lea Are Placed on the Governing Board—Banister Retires.

Stockholders of the Moline Plow company at their annual meeting yesterday made three changes in the personnel of the board of directors. L. C. Blanding, C. A. Banister and H. S. Lord retire from the board, their places to be taken by G. E. Hutton, O. H. Seifert and R. W. Lea. The present board of directors consists of G. A. Stephens, F. G. Allen, C. R. Stephens, G. H. Hutton, J. L. Irving, A. C. Barker, G. E. Hutton, O. H. Seifert and R. W. Lea.

At a meeting of the board of directors after the stockholders' meeting the old officers were reelected with the exception of C. A. Banister, who has resigned from his position as treasurer of the company, owing to continued ill health. His place was filled by H. S. Lord.

Position of assistant treasurer, formerly held by J. C. VanDoren, deceased, was not filled, the matter being left for subsequent action of the board. Annual statement of the company, which has just been received from the auditor is satisfactory, considering all the circumstances of times and conditions.

### Return Held Fair.

A dividend of two per cent on common stock was declared. F. G. Allen announced. This is considered a fair return in view of the heavy expense incurred by the company in construction of the tractor plant buildings, the cost of which is charged to current expense of the firm.

### SEARCH CONTINUED FOR DAVID WENRICH

David Wenrich, former telephone operator at the Manufacturers' hotel, who decamped Saturday night with \$221.80 belonging to the hotel, is still eluding the officers placed on his trail. No trace of the lad has been found, though police throughout Illinois and Iowa have been searching for him all week.

## LUNDT WILL HEAD MERCHANTS' BODY

Is Chairman of Managing Committee of Retailers' Bureau of the Moline Commercial Club.

### ORGANIZATION NOW COMPLETE

Hope to Have Members of Business Men's Association Affiliate Themselves With Organization.

H. E. Lundt has been named chairman of the managing committee of the retail merchants' bureau of the Moline Commercial club, organization of which has just been completed. Other members of the committee are Roy J. Green, F. W. Shallen, Frank L. Haynes, Emil Johnson, George T. Rank and L. S. Wynes. This committee will meet with officers of the Business Men's association of Moline, East Moline and Silvis some time this week to discuss the proposition of dissolving the present business men's association and having its members who do not belong to the Moline club come in under the head of retail merchants' bureau.

It is understood that there is opposition to this plan, the argument of those opposed being that the merchants lose their identification as a body. Not one of them, however, has been heard to express dissatisfaction with the purpose of the Moline club and most of them are willing to join under certain conditions.

Loyalty to home industries was the dominating theme at the regular weekly session of the members' council yesterday noon, and some very good talks were made in support of local industrial institutions. Secretary Duryea declared that more benefit to the city will come by encouraging and helping to develop industries already established here than by trying to land new enterprises. Fifty-one were present at the meeting.

**Executive Committee Meetings.**  
Recommendations were made that the executive committee have its meeting weekly, subsequent to the members' council sessions so that matters needing immediate action may be given attention without the necessity of calling the entire board of directors together. The directors meet once a month.

### SOCIAL AND PERSONAL

Among the prenuptials to be given for Miss Sarah Ainsworth, whose marriage to Harold Herbert Roy was celebrated at the home of Mrs. Charles Covemaker, of Rockford is to be an event of Oct. 11, are an afternoon bridge at which Mrs. Chester Sloan will entertain Wednesday of next week, a luncheon at Seven Acres, Miss Dorothy Stephens to be hostess, and two family dinners at the homes of Mrs. Charles Ainsworth and Miss Mary Ainsworth. Miss Alice Moore, who is to be honor maid, will arrive today or tomorrow. The ushers will be William Knight and Carl Smith.

This morning at 8 at Sacred Heart Catholic church was celebrated at high mass the marriage of Miss Elizabeth Covemaker, daughter of Mr. and Mrs. Charles Covemaker, and Walter C. Wilcox, Rev. J. B. Culemans performing the ceremony. The bride was attended by Miss Frances Erickson of Oklahoma and Benjamin Wilcox served his brother as best man. The bride wore a gown of white georgette crepe and silk poplin made in round length. She wore a circular veil held with rose buds and carried bride's roses. Her attendant was in embroidered white mull with which she wore a short blue tulle veil and carried blue flowers. A wedding breakfast was served at the

home of the bride's parents after the ceremony and at noon the couple left for Bay City, Mich., to visit relatives of the groom. The traveling suit of the bride was midnight blue silk poplin with a hat to match. Mr. and Mrs. Wilcox will live in Moline. The bride has been employed in the law office of Andrew Olson or Moline and Mr. Wilcox is employed at Deere and company.

Mrs. Fargo, 503 Twenty-fifth street, entertained 18 ladies Monday afternoon in celebration of her birthday anniversary, members of the Twin-City Sewing circle and other friends being guests. The house was decorated in roses, carnations and asters and the hostess served a luncheon at 3 o'clock after which crocheting, other needlework and victrola music filled the hours with pleasure. Mrs. Fargo received some very handsome gifts, handwork, cut-glass and other pretty articles. The sewing circle will meet October 6 with Mrs. Charles Kelsey, 1855 Fourth street.

### LUDWICK IS STRONG AT PIVOT POSITION

The stiffest work-out of the season awaited the maroon and white football huskies when they reported at Three-Eye park yesterday afternoon. For more than an hour the regulars battled with the second string men. The field was heavy from recent rains and fast play was almost an impossibility. The regulars annexed 33

points during the hour of play, the scrubs two. Ludwick, veteran of the squad, worked at the pivot position, carried the pigskin for excellent gains. The Moline school will open the season next Saturday, meeting Clinton for the first time in several years.
